RENTALS

Take a San Francisco Tour in a Computer Guided Talking Car!

*Fold up your map and put away the guidebook!
Our computer guided cars will show you the way
as they tell you San Francisco's stories.*

Stop wherever you like, or blaze your own trail!

- **Nominated By TIME Magazine as "One of the Amazing Inventions of 2004"**
- **Choose from 5 interactive GPS-guided tours**
- **Tours last anywhere from an hour to all day; you decide**

- **Now in 5 languages!**
- **Our cars have a 70-mile range**
- **All cars also equipped with radio and CD players**
